

THE WOOL CLIP

For all things Woollen

20 March 2025

Dear All

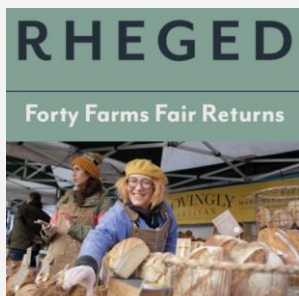

We've been open for nearly six weeks now, following our usual winter clean, decorate and re-stock. It seems about time that we updated you on what's happening in the shop and with [The Wool Clip](#) co-operative too.

First, we've a new member. [Petra Baker](#) is a spinner and weaver whose textured yarns and woven shawls, wraps and soft furnishings are now on sale in the Caldbeck shop. Petra's colour palette is inspired by nature, brights and pastels for her accessories and more neutral shades for your home. She's bringing something fresh and different to The Wool Clip and you can find out more in [our latest blog](#).

We've lots of new products in the shop (and [online too](#)) with a range of felted hairclips from [Susanna](#), crocheted daisies made by [Chloe](#), new knitwear styles from [Ruth](#) and a selection of gorgeous seasonal things that would make great gifts for Mothering Sunday or for Easter.

If you don't already follow us on [Facebook](#) or [@thewoolclip](#) on Instagram, please do as you'll be able to see far more pictures of our work there than we could ever fit into an e-newsletter. Just search for The Wool Clip and look out for our ram's head logo.

Various woolly events are coming up in the next few months (plus lambing for some of us as well) so we wanted to share a few links. We won't be exhibiting at [Wonderwool Wales](#) this year (April 26 and 27), but we're looking forward to meeting many of you at the [Cumbrian Wool Gathering](#) (June 21 and 22) and at the [Forty Farms Fairs](#) at Rheged (April 12 and July 5). Please follow the links for more details and come along to say Hello if you're there - we'll try to share our stand numbers/locations as we find out more.

We'll try not to leave it too long until we're in touch again and, in the meantime, please [get in touch](#) if there's something you'd like to know about us, our work or our co-operative approach.

Thanks and best wishes,
The Wool Clip

PS A quick plug for local pitstops if you're travelling to the shop at Caldbeck. Many of you will know the [Watermill Café](#) that's upstairs from us in Priest's Mill and we'd also like to recommend [The Muddy Duck](#) café at the other end of the village and [Basecamp North](#) on the A66 between Penrith and Keswick. If you're a past Woolfest visitor, you might recognise Emma from [Alpacaly Ever After](#) who now leads the Basecamp team (and stocks some of our work).
